

Active Seaside Heights Thanked For Help

By SUE BURK

It has been such a wonderful summer that I hesitate to write, knowing that I can't get all the wonderful things that have happened down on mere paper. We have so many new friends and neighbors moving into our little area and, of course, the only sadness lies in the fact that we are losing a few very dear friends also. We are happy to express our thanks and appreciation to those who have helped in putting our little community on the map. Namely, Mr. Floyd Holstin, Scoutmaster, as one. Floyd has taken a lot of his spare time and some of his time off his job to help put the Boy Scout organization on top. And, let's not forget Mrs. Holstin, for she has been behind her husband in everything he has done. So again, let us thank you kids; you've really been a credit to our community.

ny Brady of Doris Way, who celebrated his birthday rather quietly with his family and a few friends. Cake and punch were served. Gifts included a beautiful big model motor boat which he looked upon with awe and quickly coaxed Mr. and Mrs. Brady into taking him to El Camino to race. Happy birthday Kenny.

The play "The Two Mrs. Carrolls," showing at Redondo Union High this week, was a huge success and we know a lot of the thanks goes to Mrs. Thelma Ledwidge of Macafee Rd. Mrs. Ledwidge has had several parts in different plays that have been staged at the Redondo High School in the past and has, as always, been outstanding in the character she portrays.

Birthdays greetings go to Claudia Kootz of Doris Way. A birthday party was given by Mrs. Kootz in her home with fifteen children attending. Cake with a circus motif, ice cream and punch were served. Birthday greetings to Claudia who is now eight years old.

Sorry to know that Mr. Heptig of Hindewald has been ill, but very glad to know that he is back to work. Don't work too awfully hard, Mr. Heptig, would hate for you to have a relapse.

More sadness — Mrs. Lorene Beck of Doris Way is in the Torrance Memorial Hospital with a serious operation. Our wishes for a get-well soon. Everyone misses you terribly, Lorene.

A terrible thing happened to a dear little girl this week on Zakon Rd., but at least Bobetta Holstin has learned she just can't run around without shoes. Bare feet are lots of fun, but not when you happen to step upon a rusty corkscrew. The thing was driven pretty well in to her left foot. Then tetanus shots don't help make life any too comfortable either. Seriously, we extend best wishes for a speedy recovery and hope you are back on your feet again soon, Betsy.

In case some little girl or boy has lost a pet kitten, I do have good news. A baby called Kitty wandered into our yard today and has stayed. To anyone who wishes to get the kitten back please phone me, Frontier 5-4549 or come to my home any time during the day or evening.

Just to leave everyone in good spirits I have more good news. We are all so happy again to see Lenard and Connie Priestly of Vanderhill. The Priestly family is home again after four months in San Francisco, and Lenard has a month's leave from the good old U. S. Navy. And really happy are a lot of kiddies of Vanderhill, for they are terribly glad to see Bobby and the twins—Greg and Janet. Such slurry and excitement is nice to see. Welcome home, kids.
